

ABOUT NAAAP

OFFERING HOPE AND HELP

Many individuals who could use NAAAP member resources do not make themselves known. Often it takes a family member or friend to encourage them to seek assistance. You can access each of the relevant organizations directly or you can fill out a form on the NAAAP website at www.anthemnetwork.org.

NAAAP will forward this information to the most appropriate organization(s) as quickly as possible. Please provide the most complete information as possible to expedite assistance for you or for a family in need that you know.

HELPING YOUR NEIGHBOR

Consider helping the family down the street, the people your children go to school with or you work with. Here's how you can help :

- **Volunteer.** Hundreds of volunteers help the 11 member organizations of NAAAP. They serve people in the Anthem area in many ways including helping with home repair, driving, preparing meals or fund raising. Your time is welcome.
- **Contribute.** Your financial support will enable our member organizations to help your neighbors in their time of need.

You can do either through the NAAAP website (www.anthemnetwork.org).

The Network of Anthem Area Assistance Providers is a growing collaborative effort among area Non-Profit and/or Charitable organizations. NAAAP seeks to expand the capacity of caring organizations to assist individuals and families in need of help and hope to get back on their feet. Some of these organizations are formally incorporated as 501(c)3 charities; others are unincorporated or affiliated with national organizations. A few focus on Anthem only; others serve a larger area in the North Valley of Phoenix. Some have full-time paid staff but most depend on volunteers. The Network is expanding as other organizations and churches express an interest.
